

**Daily Glow Serum:**

- Water** - Solvent (dissolves other ingredients)
- Sodium Ascorbyl Phosphate (Vitamin C)** - Neutralizes free radicals, slows down the aging process and formation of fine lines and wrinkles
- Sodium Hyaluronate (Hyaluronic Acid)** - Draws moisture into the skin, holds onto water
- Propylene Glycol** – Retains moisture content
- Cucumis Sativus (Cucumber) Fruit Water** - Skin Conditioning, anti-inflammatory, helps “scavenge” for free radicals
- Tocopheryl Acetate (Vitamin E)** - Natural skin-conditioning agent and antioxidant
- Ubiquinone (CoQ10)** - Reduce free radical damage, builds collagen and elastin
- Squalane** - Antioxidant, prevents UV damage and the formation of age spots, promotes cell growth, antibacterial
- Glycerin** - Forms a protective layer that helps prevent moisture loss
- Ferulic Acid** - Fights free radicals
- Phenoxyethanol** – Preservative
- Ethylhexylglycerin** – Preservative
- Alcohol** - Increases penetration of ingredients
- Polysorbate 80** - Helps ingredients to dissolve and blend together
- Xanthan Gum** – Thickening agent
- Helianthus Annuus Lecithin (Sunflower Oil)** - moisture retention and skin softening capabilities

**Description:**

This twice daily serum, delivers intensely age defying ingredients into the deepest layers of your skin. Its instantly absorbing formula provides an emulsion of potent Vitamin C, Squalane and Hyaluronic Acid to increase your skin’s moisture retention, boost collagen production, and even out your skin tone. Sunflower oil and Vitamin E gives your skin a healthy luminosity, while Glycerin seals in hydration for an all-day radiance.

**Daily Defense Moisturizing AM Cream:**

- Water** - Solvent (dissolves other ingredients)
- Aloe Barbadensis Leaf (Aloe Vera)** - Soothes skin, anti-inflammatory
- Sodium Hyaluronate (Hyaluronic Acid)** - Draws moisture into the skin, holds onto water
- Cucumis Sativus (Cucumber) Fruit Water** - Skin Conditioning, anti-inflammatory, helps “scavenge” for free radicals
- Helianthus Annuus Lecithin (Sunflower Oil)** - moisture retention and skin softening capabilities
- Glycerin** - Forms a protective layer that helps prevent moisture loss
- Alpha-Arbutin** – Skin lightening agent. Reduces the skin’s melanin (pigmentation) production
- Caprylic-Capric Triglyceride** - Smooths Skin, anti-oxidant, binds ingredients and acts as preservative
- Polysorbate 80** - Helps ingredients to dissolve and blend together
- Palmitoyl Pentapeptide-4** - Stimulates collagen and elastin
- Ubiquinone (CoQ10)** - Reduce free radical damage, builds collagen and elastin
- Squalane** - Antioxidant, prevents UV damage and the formation of age spots, promotes cell growth, antibacterial
- Butyrospermum Parkii (Shea Butter)** - Retains skin’s moisture
- Polyacrylamide** - Helps to hold together the ingredients
- C 13-14 Isoparaffin** - Emollient, and a thickening agent
- Bisabolol** - Skin conditioning agent, anti-irritant, anti-inflammatory and anti-microbial
- Ascorbic Acid (Vitamin C)** - Brighten skin, reduce fine lines and wrinkles, and fade dark spots
- Tetrahexyldecyl Ascorbate (Vitamin C)** – An oil soluble form of Vitamin C that deeply penetrates into the skin and promotes collagen production.
- Sodium Ascorbyl Phosphate (Vitamin C)** - Neutralizes free radicals, slows down the aging process and formation of fine lines and wrinkles
- Prunus Armeniaca (Apricot) Kernel Oil** - Diminishes the look of wrinkles and other signs of aging
- Phenoxyethanol** – Preservative
- Ethylhexylglycerin** – Preservative
- Tocopheryl Acetate (Vitamin E)** - Natural skin-conditioning agent and antioxidant
- Laureth-7** - Emulsifier and surfactant
- Xanthan Gum** – Thickening agent
- Tetrasodium EDTA** – Preservative, improves stability and prevents microbial growth

**Description:**

This ultra-lightweight gel-cream locks in hydration throughout the day while its antioxidant packed formula protects your skin from free radicals and environmental stressors.

Skin-loving ingredients such as Cucumber Fruit Water, Aloe Vera and Squalane leave skin looking softer, smoother and more radiant. Hyaluronic Acid acts as a moisture-magnet and draws in hydration, ensuring a fresh and plumped feel to your skin without leaving an oily residue.

Finally, a rich blend of Vitamin C works to brighten your skin and slows down the aging process by inhibiting the formation of fine lines and wrinkles.

### Advanced Eye Repair:

**Water** - Solvent (dissolves other ingredients)

**Sodium Hyaluronate (Hyaluronic Acid)** - Draws moisture into the skin, holds onto water

**Aloe Barbadensis Leaf (Aloe Vera)** - Soothes skin, anti-inflammatory

**Propylene Glycol** – Retains moisture content

**Cucumis Sativus (Cucumber) Fruit Water** - Skin Conditioning, anti-inflammatory, helps “scavenge” for free radicals

**Caprylic-Capric Triglyceride** - Smooths Skin, anti-oxidant, binds ingredients and acts as preservative

**Butyrospermum Parkii (Shea Butter)** - Retains skin’s moisture

**Caffeine** - Minimize dark circles and sagging skin under the eyes

**Palmitoyl Pentapeptide-4** - Stimulates collagen and elastin

**Polyacrylamide** - Helps to hold together the ingredients

**C 13-14 Isoparaffin** - Emollient, and a thickening agent

**Bisabolol** - Skin conditioning agent, anti-irritant, anti-inflammatory and anti-microbial

**Bioflavonoids** - Helps support vitamin C and slow its breakdown

**Ascorbyl Palmitate (Vitamin C)** - Protect from free radicals, stimulate collagen production, reduce hyperpigmentation

**Tocopheryl Acetate (Vitamin E)** - Natural skin-conditioning agent and antioxidant

**Phenoxyethanol** – Preservative

**Ethylhexylglycerin** – Preservative

**Camellia Sinensis (Green Tea) Leaf Extract** - antioxidant, anti-inflammatory

**Alcohol** - Increases penetration of ingredients

**Laureth-7** - Emulsifier and surfactant

**Tetrasodium EDTA** – Preservative, improves stability and prevents microbial growth

#### Description:

This rich and luxurious eye cream is formulated with the highest concentration of wrinkle fighting and firming ingredients to combat the appearance of dry, tired eyes.

Caffeine instantly minimizes dark circles while the antioxidant and skin soothing properties of Green Tea Leaf Extract aids in de-puffing the eye area.

This emollient cream helps to promote a firm and lifted look, giving your face an overall more youthful appearance.

### Nightly Rejuvenation PM Cream:

**Water** - Solvent (dissolves other ingredients)

**Sodium Hyaluronate (Hyaluronic Acid)** - Draws moisture into the skin, holds onto water

**Aloe Barbadensis Leaf (Aloe Vera)** - Soothes skin, anti-inflammatory

**Caprylic-Capric Triglyceride** - Smooths Skin, anti-oxidant, binds ingredients and acts as preservative

**Cucumis Sativus (Cucumber) Fruit Water** - Skin Conditioning, anti-inflammatory, helps “scavenge” for free radicals

**Polysorbate 80** - Helps ingredients to dissolve and blend together

**Niacinamide (Vitamin B3)** – Improves pores, uneven skin tone, fine lines, wrinkles, dullness and weakened skin surface

**Dimethyl Isosorbide** – Enhances delivery abilities for other ingredients

**Hydroxyphenolone Retinoate (HPR)** – Cosmetic grade of Tretinoin without causing skin irritation

**Butyrospermum Parkii (Shea Butter)** - Retains skin’s moisture

**Palmitoyl Pentapeptide-4** - Stimulates collagen and elastin

**Polyacrylamide** - Helps to hold together the ingredients

**Glycerin** - Forms a protective layer that helps prevent moisture loss

**Prunus Armeniaca (Apricot) Kernel Oil** - Diminishes the look of wrinkles and other signs of aging

**Bisabolol** - Skin conditioning agent, anti-irritant, anti-inflammatory and anti-microbial

**Tocopheryl Acetate (Vitamin E)** - a natural skin-conditioning agent and antioxidant

**Phenoxyethanol** – Preservative

**Ethylhexylglycerin** – Preservative

**C 13-14 Isoparaffin** - Emollient, and a thickening agent

**Laureth-7** - Emulsifier and surfactant

**Alcohol** - Increases penetration of ingredients

**Tetrasodium EDTA** – Preservative, improves stability and prevents microbial growth

#### Description:

Replenish the nutrients in your skin while getting your beauty rest with the Nightly Rejuvenation Cream. This skin-refining cream provides your skin with the ultimate-hydration it needs to nourish and repair itself while you sleep.

Vitamin B3 tightens the appearance of pores and diminishes the look of fine lines and wrinkles while Vitamin E, Shea Butter and Apricot Oil conditions the skin, so that you can wake up looking refreshed.

This formula also includes the gentle strength of H.P.R. (a Retinol alternative), and is a true anti-aging superstar! This advanced ingredient visibly improves the texture of your skin while drastically decreasing the look of age spots, acne scarring and hyperpigmentation from sun damage, all without the typically irritating effects of a Retinol.
