Prosoma Returns Policy

Damaged Product

In the event product is damaged in shipment damaged product can be returned to the manufacturer for full purchase price credit.

The process is as follows:

Damaged merchandise must be communicated via writing within 48 hours after receipt of shipment. No credit for returns will be given for any claims made after 48 hours of receipt of shipment.

Written confirmation of damages must be provided on the Prosoma Returns Form (see attached).

Once the damaged product has been shipped back to the manufacturer and the manufacturer is in receipt of such product a credit equaling the purchase price of each damaged item will be issued. In the event the purchaser of the product has an open balance with Prosoma the credit will be applied to the open balance. In the event a payment was made via credit card a credit will be applied back through the same credit card. In the event the payment was made via a check or money order a credit will be issued back in the form of a check.

Expired Product

In the event product is received that is expired or with less than 12 months to expiration product can be returned for full purchase price credit.

The process is as follows:

Expired product must be communicated via writing within 48 hours after receipt of shipment. No credit for returns will be given for any claims made after 48 hours of receipt of shipment.

Written confirmation of Expired product must be provided on the Prosoma Returns Form (see attached).

Once the expired product has been shipped back to the manufacturer and the manufacturer is in receipt of such product a credit equaling the purchase price of each expired item will be issued. In the event the purchaser of the product has an open balance with Prosoma the credit will be applied to the open balance. In the event a payment was made via credit card a credit will be applied back through the same credit card. In the event the payment was made via a check or money order a credit will be issued back in the form of a check.

I agree to the above terms.
